

Connecting to WIFI

CONNECTING THE iPad TO WIFI

-  Turn on the iPad by tapping the Home Button 2 times.
-  Tap on the Settings app.
-  Tap on the WiFi image located on the left side of the screen.
-  Find and tap on the correct WiFi name, inside the Networks box.
-  Enter a password, if needed.
-  Tap on join.
-  Tap on the Home Button 1 time to return to the home screen.
-  Look for the WiFi image in the top, right, corner of the iPad home screen.
